What's up Area 3?!

My name is Gabby Ridings, and I am from the Southwest District and the Travis FFA Chapter. I am so excited to get to serve the only place to be, area three officer team! Now, I would like to start off with a question for all of you. When you think of community, what comes to mind? Maybe qualities such as service, teamwork, or belonging? For me, it wasn't until I joined FFA that I truly experienced all of these characteristics together. This organization has given me one of my life's greatest gifts, a sense of purpose. As I have grown, I have begun to think less of myself and more about how I could impact others. It's through this agricultural community, that I have been able to improve myself and the world around me. As one of your leaders this upcoming year, I hope to encourage all of you to search for your own community and purpose within this organization. FFA is a big part of who I am and what I love most about it is that there is a place for everyone. Area 3, thank you for giving me this opportunity to lead you and I can't wait to see what the future hold for us!
